How it works

SEATS	One seat is one person's access to a course: the filmed show, the e-learning, the quiz and the certificate. Assign by email address; a seat can move until its holder starts.
COMPANY LIBRARY	Every show in Season One as it premieres, for up to 50 learners, for a year. Priced per organisation.
INVOICE AND PO	A VAT invoice from Kureos World AB with your purchase order number on it, payable in 14 days. EU companies are reverse charged. Seats work from the day the invoice is issued, or from the premiere for a course that has not opened yet.
SCORM	SCORM 1.2 for Workday, Cornerstone, SuccessFactors, Docebo or any system that takes it. Completion and score flow back automatically.
COMPLETION VIEW	A team page and a spreadsheet export: who started, chapters finished, rooms mastered, best quiz score, passed, certificate. Never anyone's answers.
REFUNDS	Unassigned seats are refundable within 30 days of the invoice, by credit note.
